### CLEARINGHOUSE RULE 07-061

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]**

#### **2. Form, Style and Placement in Administrative Code**

a. The rule preface should include all of the items in s. 1.02 (2) (a), Manual. If any item is not applicable, the preface should so state.

b. Drafting format would allow the department to combine SECTIONS 14 and 15 of the rule into a single section to amend s. ATCP 10.46 (7) (a) 1. and 2., (b), and (c). Similarly, the department could, if it so chose, combine SECTIONS 19 to 22 into a single section to amend s. ATCP 10.61 (4), (5), (6) (c), and (7) (a).

c. It appears that the rule should include an initial applicability provision stating that the treatment of s. ATCP 10.61 (4) first applies to a registration certificate issued after the effective date of the rule. This will prevent any confusion over when registration certificates in effect on that date expire.

d. The effective date and initial applicability provision should be identified as SECTION 32.
